

# THE NextGen Endo-Fert Summit

## About the Summit

The NextGen Endo-Fert Summit is a premier event for NextGen gynecologists, expert lectures, and interactive discussions on gynecological endoscopy and fertility management.

- Live Surgical Demonstrations – Witness expert-led laparoscopic & hysteroscopic surgeries in real time.
- Workshops & Hands-on Training – Refine your skills with personalized guidance.
- Keynote Sessions – Gain insights from renowned national & international faculty.
- Panel Discussions – Explore challenges & innovations in reproductive medicine.
- Case-Based Learning – Practical approaches to complex fertility & endoscopic cases.
- Networking Opportunities – Connect with mentors, peers, and industry leaders.
